The YMCA's flag football program offers different leagues for children in grades 3 through 6. Flag football is fun for everyone and a safer alternative for parents who might hesitate letting their children start tackle football.

The kids will be divided into two different groups. (Grades 3-4, Grades 5-6)

YMCA youth sports encourage healthy kids, families and communities by placing a priority on family involvement, positive self– image and a sense of fair play. Through our caring staff and coaches, we help your child develop the skills fundamental not only to play the sport, but also to be successful in the community such as cooperation, commitment, dedication and sportsmanship.
