There's No Place Like the Y...

To be part of a community: The Open Doors Program ensures that no one is turned away from the Y due to an inability to pay. As basic costs of living rise, your gift provides vital financial assistance to individuals and families in need. Your support ensures that everyone, regardless of income, can access YMCA memberships and experience a healthier, more connected life in our community.

To feed kids: The Backpack Program provides weekend food to more than 1,900 kids in need across Centre and Clearfield Counties. Your gift provides consistent meals for kids and enhances food security in our community.

To learn, grow, and make new friends: The Y provides scholarships for child care, summer camps, swim lessons, and youth programs. Your gift keeps these opportunities accessible to every family in your community.

To spend time together: The Y is committed to creating opportunities for people of all ages and interests to build community. With your support, we offer these events at little or no cost throughout the year.

When you give to the Annual Giving Campaign, 100% of your donation stays right here in your community. Please support your Y at www.ymcaocc.org or complete the attached 2026 pledge form. With your support, there's no place like the Y!
